Script Content Request

This Script Info Request will help us develop your Audio Image.

A **Master Production** is a 5 Spot Audio Production, Using Professional Voice-overs mixed with your choice of our Licence Free Music.
Your Music On Hold **(MOH)** Media Space is a unique advertising platform that when used professionally will have an awesome effect on your Branding & Customer Experience Management.

Remember:: Your On Hold Audience is your captive audience. They have already filtered through your other marketing avenues so with you're On Hold Content *"less is best"*.
